MEMORANDUM FOR: Acting Director of Central Intelligence

25X1C4c

SUBJECT: [redacted]

You will recall that this Project was discussed with the Director about two weeks ago by Messrs. [redacted] and me. Although the Director was enthusiastic about the Project and instructed us to proceed, we did not settle what the source of funds was to be. The Director mentioned the possibility of contributing some money from his own reserve for this purpose. On the assumption, however, that he would not give us the total amount of [redacted] this early in the year, the attached memorandum has been prepared instructing the Comptroller to seek [redacted] from the Agency Reserve for Contingencies.
